

Sutton Fields Facility Design Survey

The indoor facility project has reached the point where we need to finalize the design. The architecture firm and design studio have created two layout options based upon community feedback. Please select which design option you prefer. Feel free to leave any additional comments in the free-type section below. One vote per household. For rental properties, the vote should be cast by the property owner.

* Required

1. What is your name? *

2. What is your email address? *

3. What is your Sutton Fields property address? *

4. Are you the property owner? *

Mark only one oval.

Yes

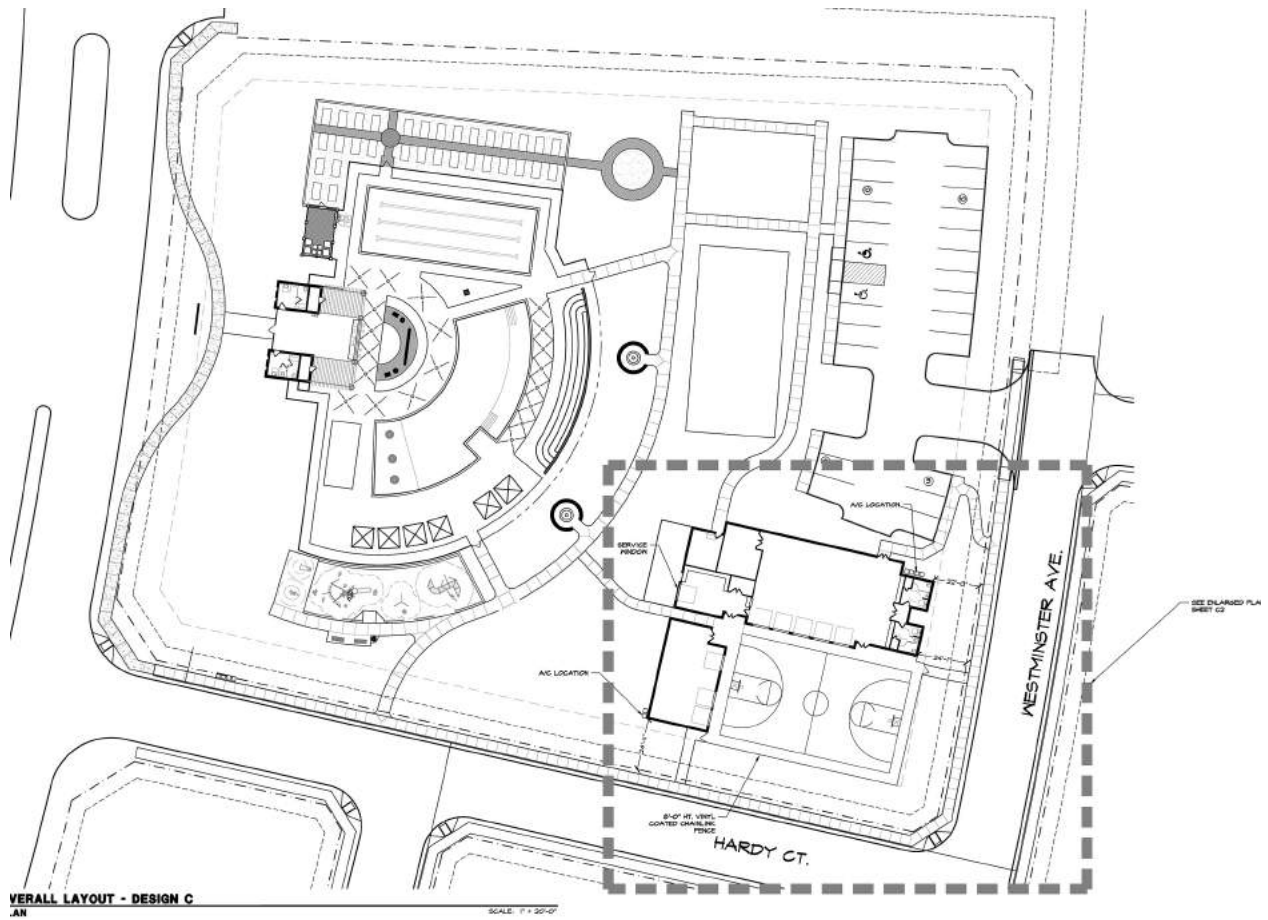

No
