## TRAFFIC DIVISION

### Keeping You Safe

The Celina Police Department is committed to ensuring the safety of its citizens, and its Traffic Division plays a crucial role in achieving this goal. Through a combination of engineering, education, and enforcement, the Traffic Division strives to minimize the number of traffic accidents and fatalities, while also promoting safe and efficient transportation.

On May 2, 2023, Sergeant Jeremiah Phillips, a seasoned law enforcement professional with extensive experience in traffic safety and management, will share valuable insights on the department's efforts to fulfill this mission. He will discuss the various initiatives undertaken by the Celina Police Department to enhance road safety, including the implementation of traffic calming measures, the use of modern technology, and effective enforcement tactics.

Moreover, Sgt. Phillips will touch upon the importance of community education in reducing the number of accidents on the road. The Celina Police Department's Traffic Division works to educate the public on the importance of safe driving habits, proper vehicle maintenance, and pedestrian safety, among other things. Through outreach programs and community partnerships, the division aims to increase public awareness of the risks associated with reckless driving and promote responsible behavior on the road.

The Debrief is a forum designed to provide citizens with an opportunity to learn about the various aspects of police operations and tactics. It offers a unique platform for members of the community to ask questions and seek clarifications on law enforcement procedures and strategies. Sgt. Phillips' presentation on the Celina Police Department's Traffic Division is an excellent opportunity for citizens to gain valuable insights into the measures being taken to ensure their safety and well-being.
